Madam/Dear Sir,

Queries are being received as to the number of nomination forms which can be submitted by the candidate for election to the Managing Committee of the Branch for the term 2022-2025 and whether the Banker's Cheque/Demand Draft is required to be accompanied with each nomination form, in case more than one nomination form is submitted by the candidate.

It is hereby clarified that a candidate can submit a maximum of 10 Nomination forms and he is required to give only one Banker's Cheque or Demand Draft of requisite nomination fee of Rs. 1000/-, alongwith the very first nomination form. However, detail of payment instrument is required to be filled-in in each nomination form.

In case, if any Branch has received more than one Banker's Cheque or Demand Draft along with nomination forms, it is advised to return the additional Banker's Cheque/Demand Draft to the candidate concerned.

This may be brought to the notice of members of Branch concerned.

Regards
