## Chairman Communication

At the outset, I extend heartiest greetings to all of you on this momentous occasion of 74th CA Day. It has been a wonderful journey of 73 long years in the service to the Nation. As the Institute of Chartered Accountants of India celebrates its Foundation Day on July 01, 2022, it stands tall not just as an authentic symbol of the decades of priceless and invaluable experience it acquired via its consistent contribution but also as epitome of continual dynamism and resultantly growth of accountancy profession in the country which is a testimony to the ubiquitous role of the Chartered Accountants in bringing and shaping a resolute India. That the substance and core of bravery is tested in times of adversity; ICAI has been taking path breaking new initiatives and actions to move ahead in the interest of its students, members and other stakeholders.

Abraham Lincoln once said, "The most reliable way to predict the future is by creating it." The future of the Accountancy profession is vast and promising. With sky as our only limit, ICAI vows to continue to imagine, improve and innovate in order to take the CA community and the economy to superior heights. This CA Day, we promise to not just capitalize future opportunities of success coming our way but also continue to create newer ones. The Institute of Chartered Accountants of India's relentless efforts towards greater growth and better service shall be steadily translated today in order to have a transformed tomorrow.

Friends, the Mega Event of the Branch, the National Conference 2022 has been scheduled on 17-18 June, 2022 at Hyatt Place, Vadodara. We request Members to block the dates for the Event of the Branch. Detailed information of the Two days National Conference is in forthcoming events.

Dear Members, before concluding, I reiterate that one can merely survive by resisting change, but thrive only by consistently evolving; after all, success lies outside the comfort zone. Over the years, ICAI has garnered a niche for itself by rising to challenges and persistently building upon embedded virtues of independence, integrity and excellence.

I also urge all of you to work towards building a sustainable environment, contributing and implementing sustainable habits & encouraging awareness for the protection of our natural environment. I would like to conclude with the words of our Former President of India, Dr. A.P. J Abdul Kalam "Learning gives creativity, Creativity leads to thinking, Thinking provides knowledge, Knowledge makes you great."

With all good wishes,

**CA. Manoj Kumar Sahu**
